Slim and symmetrical. Every message will command attention.

Slim 4K UHD Signage with Dynamic Crystal Color

Get maximum impact with every message with the Samsung QBR/QBR-N series UHD signage displays. With a sleek and symmetrical design, they’re simple to install cleanly and beautifully into every retail location. 3840 x 2160 resolution means your promotions will be exceptionally sharp and crisp, while UHD upscaling improves all your content, for maximum impact 16/7. And Dynamic Crystal Color supports up to 1 billion colors for incredibly rich color and lifelike people and products.
## Samsung QBR/QBR-N Series UHD Commercial Displays
