Slim, symmetrical and secure.

Slim 4K UHD Display without Embedded Wi-Fi or Bluetooth

Get maximum impact in every meeting with the Samsung QBR-N series UHD displays. With a sleek and symmetrical design, they’re simple to install cleanly and beautifully into every business. Since they have no embedded Wi-Fi or Bluetooth modules, they’re ideal for government, financial and educational institutions, or anywhere network security is a priority. 3840 x 2160 resolution means images and text will be exceptionally sharp and crisp, while UHD upscaling improves all your content for maximum impact 16/7. And Dynamic Crystal Color supports up to 1 billion colors for incredibly rich and lifelike color.

Key Features

- **Slim and Symmetrical Design**
  The QBR-N Series’ slim depth, narrow bezel and symmetrical design vastly simplify mounting and installation, and allow seamless integration into any environment.

- **No Embedded Wi-Fi or Bluetooth Module**
  The QBR-N series has no Wi-Fi or Bluetooth module embedded, making it an ideal solution where network security is a priority.

- **Bright, 4K Screen**
  Ultra HD coupled with 350-nit brightness delivers true 4K color and clarity.

- **Dynamic Crystal Color**
  Experience crystal-clear, lifelike color with up to a billion shades of color, 64 times more than conventional UHD displays. See every color in a rainbow or every shade in a spectacular sunset.

- **Intelligent UHD Upscaling**
  UHD upscaling is a unique four-step picture improvement process that enables the clarity and detail of standard and high-definition content to be enhanced to the best possible picture quality.

- **HDR Powered by HDR 10+**
  Experience superior brightness, greater detail in blacks, and authentic color with HDR powered by HDR 10+.

- **Powerful, All-in-One solution**
  System-on-Chip (SoC) technology allows easy content management and playback, without an external set-back box or PC.

- **Cisco WebEx Room Kit Compatible**
  The QBR-N series is fully compatible with Cisco WebEx® Room Kit products. Together, they provide the ultimate conferencing solution.

- **MagicINFO**
  Our leading-edge digital signage platform makes content management easier, more flexible and more robust.*

- **3-Year Commercial Warranty, 16/7 Operation**
  Samsung commercial displays are designed for reliable operation.
