Product Description

The ViewSonic® CDE5010 is a 50" (90) viewable 4K Ultra HD commercial display purpose-built to deliver eye-catching imagery for hotels, restaurants, retail, business, and more.

With stunning 3840x2160 resolution, 350-nit High brightness, wide viewing angles, and dual 10W speakers, this display provides immersive, high-impact messaging wherever needed. In addition to HDMI, DVI, and VGA inputs to connect with various high-definition devices, this display utilizes an integrated multi-core processor and 8GB of internal memory, allowing customers to playback multimedia content via USB without the need for a PC. To make life even easier the embedded vController software offers easy maintenance and intuitive interfaces for remote management via a PC server or laptop, and flicker-free and blue light filter technologies help provide a comfortable viewing environment.
