The ViewSonic® CDE6520 is a 65” 4K display. The built-in screen sharing software*, ViewBoard® Cast and myViewBoard Display enable multiple users, whether onsite or online, to participate in conferences and share content simultaneously, transforming the CDE6520 into a dynamic content hub. This reliable commercial display is equipped with a quad-core processor and internal memory, allowing constant multimedia play from internal storage or a USB flash drive. Supporting remote configuration and content management systems, the ViewSonic® CDE6520 is also suitable for diverse signage applications.

*Chrome, Android, Windows, Mac OS, and iOS compliant
*Miracast, Chromecast, and AirPlay support
Start an Easy Group Presentation

Instant Casting without Dongle or app Installation
Any laptop with a browser

No setup required, just open a Chrome, Chromium, or Edge browser to share your content.
