

Key Features

Integrated Chrome OS | Google Play Store | Built-in Security | Upgraded Performance

Product Description

The ViewSonic NMP760 is a Google-certified Chromebox with built-in Chrome OS and Google Play store. When combined with a ViewSonic ViewBoard interactive display, the NMP760 can transform any classroom into a distance learning hub, and any conference room into a videoconferencing suite. Powered by Google Hangouts, the NMP760 helps to better facilitate presentations, brainstorming, and decision-making – even when your employees, clients, or students are spread across the globe. What’s more, with quick out-of-the-box setup, integrated Google management console, and built-in security features, the NMP760 is an ideal videoconferencing solution for both education and corporate environments.
