## Yamaha YH-L700A Wireless Noise-Cancelling Headphones with 3D Sound

### Intelligent technology that adapts to you and your environment, including:

- 3D Sound Field with head tracking: experience movies and videos on your mobile device with cinema-like sound that immerses you in the action, at home or on the go
- Listening Optimizer: optimizes the sound in real time, adapting to you and your environment
- Advanced ANC: Cut the noise, not the music with this Yamaha-exclusive Active Noise-Cancelling technology that leaves your music pure and untouched
- Ambient Sound: choose when you need to be aware of your surroundings
- Listening Care: intelligent equalization for full-range sound at lower listening volumes, including dynamic monitoring of content and background noise levels
- Bluetooth 5 with aptX Adaptive: stable wireless connectivity and premium streaming quality
- Simple controls: make phone calls, activate Siri/Google Assistant and control your music with easy-to-find buttons on the earcups
- Take them everywhere: folding/swiveling earcup design and up to 34 hours of battery life
