

TORNADO II TORNADO III

These all-new systems take the typical power pack up a notch, with enough muscle and flexibility to meet the most demanding chef's requirements. Three-speed electronic controls and a stylish RF remote put you in command of up to 1000-cfm of raw power. Dual-level halogen lights and optional baffle filters enhance airflow and the professional look of your kitchen. Just choose the ventilation level that's right for you and easy-to-install, adjustable-depth liners for a snug fit in any kitchen.

Tornado II & III comes standard with our stylish Wireless Remote Control.
